

July 2015

Dear Families,

Geneva Day School is able to extend your child's school day with our Extended Care Program. Ms. Heidi Gharib has led this program for many years and is assisted in the afternoon by Mrs. Astrid Mulder and Mr. Jake Mondonedo. They provide a warm and stimulating environment with lots of wonderful and seasonal activities for the children.

Before Care is scheduled from 8:00 to 9:00 a.m. and After Care is scheduled from 3:00 to 6:00 p.m. You may request a minimum of thirty minutes per day and can add extra hours up to the maximum number available for our Before Care and After Care Program. The cost for this program is \$10.00 per hour. Discounted fees are available for students committing for the school year. Space is limited, so please call and make arrangements with the Office as soon as possible.

Please note that children must be at least three years old and potty-trained to take advantage of this program. Once arrangements are made with the Office, you will receive an agreement with the dates you have scheduled for the 2015-2016 school year. We staff Before Care and After Care according to the number of children present and the hours they attend each day. Drop-in Geneva students are welcomed as spaces are available.

If you have any questions, please call the Office at Geneva Day School.

Thank you!

Amanda White
