2017-2018 Calendar Notes

Our Kindergarten Program is required to complete 170 days of instruction.

Three snow days are built into the school calendar. With three snow days built in, the Kindergartners will have completed 173 days of classroom instruction.

If Kindergarten is not able to complete 170 days by the end of the school year, because of weather or other emergencies, then they may make up days the week following Memorial Day. State or County School Officials may reduce this requirement in extenuating circumstances.
