

## Substitute Teacher Recruitment Form 2018-2019

Dear Parents:

We are always looking for substitute teachers to add to our list. You do not have to be a qualified teacher, but it is helpful to have had some general classes in child development or early childhood classes. We are looking for individuals who love children, have a nurturing personality and excellent English language verbal skills. We ask those interested in becoming a substitute teacher at Geneva Day School to attend a short training session at the School. Please see the dates and times listed below.

*Please fill out and return the bottom portion to the School Office.*
